WORK & LEADERSHIP EXPERIENCE

Albrings + Müller AG

Stuttgart, Germany

Real Estate Advisory Intern, Transactions & Investments

May 2025 – Jun 2025

- Performed buy-side valuation of a €200M residential acquisition using DCF, income, and multiplier methods; analysis supported the client's successful purchase of the asset
- Designed and built Excel-based construction-monitoring tool for a €400M due diligence mandate, adopted by the deal team to track project milestones and control cash flows
- Evaluated existing properties to identify CapEx requirements and repositioning opportunities; coordinated due diligence inputs across finance, legal, and technical workstreams

Baker Tilly GmbH & Co. KG

Frankfurt am Main, Germany

Financial Audit Intern

Sep 2024 – Mar 2025

- Performed substantive and analytical audit procedures across 17 engagements (15 statutory, 2 consolidated) under HGB and IFRS for clients in SaaS, manufacturing, industrials, logistics, and consumer goods
- Identified a revenue recognition cut-off error that uncovered a €4M revenue misstatement in a client's financial statements, leading to a correcting audit adjustment
- Detected a systematic inventory accounting error that had caused a material misstatement of inventory on the balance sheet, escalating the finding to the engagement team for correction

ODDO BHF Solutions GmbH

Saarbrücken, Germany

Credit Risk Management Intern

Jun 2023 – Jul 2023

- Analyzed corporate financial statements, business models, and country risk across industries to support internal credit ratings and lending decisions on exposures up to €500M

Butler University — NCAA Division I Men's Soccer

Indianapolis, IN

Student-Athlete & Team Council Member

Aug 2025 – Present

- Train and compete 20+ hours per week in-season while maintaining a 4.00 GPA in honors coursework
- Selected to the Team Council, representing players in program decisions and team standards
